

Two programs w/ one **Convenient** fare.

Starting January 2, 2021

METRO  CONNECTION

Regular Service

For our customers unable to use fixed route public transit, we offer complimentary **ADA Paratransit** service. Service mirrors the fixed route service hours and service area. For our customers 60 years of age or have a qualified disability, we offer **County Elderly and Disabled** service. Service is available in the Sheboygan Urban Area as well as meal sites and rural Sheboygan County. Fares are paid using *e-Ride*, our virtual fare media where you travel without using tokens or punch cards. Pay in advance for as many one-way trips as you'd like. We will keep that balance on your account. When you take a trip with us, we will deduct it from your account! It's that easy!

Single One-Way Trips

ADA Paratransit	\$3.00
County Elderly and Disabled	\$3.00

Premium Service

For our customers needing service above and beyond our regular services, we offer convenient premium service options for **Same-Day Trips** and **Same-Day Trip Changes**. Customers have the ability to make same-day reservations for such things as trips to the grocery store! Did you "no-show" for your trip home? Now you have an option for a **Second Pick Up** as well so you're never stranded. Please use premium services when trips cannot be scheduled in advance as availability may be limited.

Premium Single One-Way Trips

ADA Paratransit	\$6.00
County Elderly and Disabled	\$6.00

*Customers are not eligible for premium service when paying with an agency fare. Agency fares remain at \$17.00 per one-way trip.

To our
Customers...

Premium service is offered as a courtesy and is provided above and beyond ADA requirements. It is possible pick up times and wait times may be longer. We recommend scheduling your trips at least one day in advance.
