

ENJOY A CAREER THAT WILL TAKE YOU PLACES.

A career with Shoreline Metro is as much rewarding as it is compensating. If you enjoy helping people, driving, and a safe work environment then a career with Shoreline Metro is just for you. At Shoreline Metro you can expect to work on a team dedicated to culture, well-being, and you. Shoreline Metro, we are not just a transportation option. We are a way of life. Climb aboard today.

COMPENSATION

Bus drivers are paid a competitive compensation package. Drivers earn up to \$23.24 per hour after training and probation.

RETIREMENT

Employees receive pension benefits through the State of Wisconsin Retirement System (WRS). This is a 50/50 contribution/match program.

BENEFITS

Employees may be eligible for additional benefits such as paid time off, health, dental and life insurance, and short-term disability insurance.

EDWARD
41 Years of
Experience

"What I find as the most rewarding experience has nothing to do with me, but has to do with seeing the reaction of others while providing safe, reliable, effective and efficient transportation to all living in or visiting Sheboygan, Sheboygan Falls and Kohler...I encourage others to get onboard and try it...you too may find it to be a rewarding career experience for you."
